Re-submission of Non-Compliant Amendment

The Amendments to Claims section included in the Response & Amendment mailed February 3, 2004, was deemed non-compliant for failing to indicate a complete listing of all claims and respective status identifiers. The non-compliant amendment was deemed to be a *bona fide* attempt to be a reply under 37 CFR 1.135(c).

The Amendments to Claims section is being resubmitted in its entirety, as required by the Notice. The section is a complete listing of all claims that are or were in the present application, and each claim has been provided with a proper status identifier. The status of cancelled Claims 1 – 68 and 86 – 89 has been clearly identified in this re-submission. Claims 69-85 and 90-117 are “previously presented,” and Claim 118 is “new.”

Applicants respectfully submit that the amendment complies with all of the provisions of 37 CFR 1.121.

Conclusion

It is submitted that all of the claims are in condition for allowance. The Examiner's early re-examination and reconsideration are respectfully requested.
